FIG.18

The interface displays a list of alarm events for camera 105. At the top, there are three buttons: 'SPECIFY DATE', 'ALARM LIST' (highlighted), and 'DOWNLOAD'. Below these is a label 'NO. 105 CAMERA (1)' and a checkbox labeled 'NEXT 50 VIDEO CLIPS' which is checked. The main area is a scrollable list of alarm events, each with a thumbnail image, a camera ID pair, and start/end timestamps. The first event is highlighted with a grey background. On the right side of the list, there are vertical scroll controls (up and down arrows) and a small square button. At the bottom, there are two buttons: 'Jump' and 'UPDATE'.
